Our success has come from providing superior service through highly motivated people. At Ryerson, you will have a job that has IMPACT. www.ryerson.com

The Opportunity:

We are currently looking for a full time **Warehouse Operative** based in the **Brampton Service Centre** on the **overnight shift**. The Warehouse Operative will report to and work in conjunction with the Warehouse Supervisor, to drive in the areas of warehouse operations and health and safety.

Responsibilities:

- Reviews customer orders by selecting the proper material as indicated on the order form
- Checks the specifics of the material against the written order for accuracy
- Keys bar orders and sheet orders in the Mainframe computer system
- Packages the order in a safe and secure manner as per standards and customer requirements
- Transfers the packaged order to a staging area for shipment
- Assists in the shipping, receiving and loading of trucks as well as order picking and packing
- Processes and ships paperwork as required
- Assists in assignments with respect to warehouse housekeeping and equipment maintenance
- Performs all work with adherence to health, safety and environmental practices

Qualifications required:

- High school diploma or equivalent is required
- 5 years of experience in a similar role is required, preferably in the metal processing and distribution industry
- Valid tow motor license essential; overhead crane experience an asset
- Strong computer skills with proficiency in Word, Excel, Access and Mainframes; strong math skills
- Must be able to demonstrate precision measuring skills and competent operation of machinery and material handling equipment
- Must be detailed oriented
- Effective verbal and written communication skills
- Knowledge of health and safety procedures relevant to the position, in compliance with the provincial regulations and the company's policies
- Ability to work with minimum supervision in a fast paced environment
- Flexibility to work on the overnight shift
